PMO Financial Control & Portfolio Performance

Aug 2025 - Present

- Provides financial control for an approximately 60-project, CAD 70M PMO portfolio, giving leaders one clear view of budgets, commitments, risks, and variances.
- Builds Excel tools and macros around operating workflows so portfolio information is reliable, accessible, and ready for timely decisions.
- Strengthens time-and-material contract control by tracking renewals, vendor billing, and contract execution; maintains a consolidated view of contracts and upcoming expiries.

Scotiabank

Senior Project Control Officer

Sep 2017 - Mar 2024

- Led financial control across an approximately CAD 20M Latin America portfolio spanning two CRM initiatives and an NPS program, partnering with PMO Canada, local markets, business leaders, and Technology.
- Replaced reactive budget management with clearer forecasting and reporting, helping teams identify pressure early and act before costs escalated.
