PROFILE

Finance-trained project control professional who turns fragmented information into financial visibility, stronger control, and timely decisions across complex portfolios.

Experienced in budgets, forecasts, PMO governance, reporting, contract management, treasury, and process improvement across banking, retail pharmacy, airlines, insurance, and real estate. Builds practical Excel-based tools that make source data reliable, accessible, and actionable for leaders and delivery teams.

EXPERIENCE

Loblaw / Shoppers Drug Mart

Aug 2025 - Present

Project Manager - PMO Financial Control & Portfolio Performance

- Brings financial control to an approximately 60-project, CAD 70M PMO portfolio, helping leaders act on risks and variances before they become larger issues.
- Connects source data across teams and systems into practical views of budgets, commitments, risks, and movements.
- Builds Excel tools and macros around real operating workflows so portfolio information is reliable and decision-ready.

Scotiabank

Sep 2017 - Mar 2024

Senior Project Control Officer & Project Manager

- Provided financial control for an approximately CAD 20M Latin America portfolio spanning two CRM initiatives and an NPS program, working across PMO Canada, local markets, business leaders, and Technology.
- Rebuilt budget visibility and forecasting so teams could identify pressure early, respond before costs escalated, and move beyond recurring budget shortfalls and reactive interventions.
- Built trusted working relationships with the people behind the data, then created practical Excel reporting that made contribution easier and decisions clearer.
- Supported contract management, compliance, project tracking, and financial controls in a regulated environment.
