EXPERIENCE

Project Manager - PMO Financial Control & Portfolio Performance

Aug 2025 - Present

Loblaw / Shoppers Drug Mart

- Brings financial control to a PMO portfolio of approximately 60 projects and CAD 70M, creating the visibility leaders need to act before variances become larger issues.
- Connects source data across teams and systems into practical views of budgets, commitments, risks, and movements.
- Builds Excel-based tools and macros around the real operating workflow so portfolio information is reliable and ready for decision-making.

Senior Project Control Officer & Project Manager

Sep 2017 - Mar 2024

Scotiabank

- Provided financial control for an approximately CAD 20M Latin America portfolio spanning two CRM initiatives and an NPS program, working across PMO Canada, local markets, business leaders, and Technology.
- Rebuilt budget visibility and forecasting so teams could identify pressure early, respond before costs escalated, and move beyond recurring budget shortfalls and reactive interventions.
- Built trusted working relationships with the people behind the data, then created practical Excel reporting that made contribution easier and decisions clearer.
- Supported contract management, compliance, project tracking, and financial controls in a regulated environment.

EARLIER EXPERIENCE

Financial & Operations Analyst
